Why are NAVDUNIYA Awards so special ?

Newsdaily Navduniya took a very serious, practical & justified approach while choosing nominations for each category of Real Estate Awards. Navduniya deeming the sensitivity of the parameters for comparative judging of each of the properties, formed an independent panel of jury.

This committee comprised of senior officials from Town & Country Planning (T&CP), BMC, Pollution Deptt., EPSCO & MPSEB. 2 renowned architects of the city were also the part of this committee.

Entire Bhopal was divided into 3 geographical Zones zones:

- Zone1: New Bhopal
- Zone2: Hoshangabad Road
- Zone 3: Airport Road

And for categories like Planning, Security, Worship Place, Service, Landscaping etc., there were one award for each zone. In all there were total 33 awards to be given.

Jury then visited each of the nominated projects, and it was only after rigorous analysis, assessment of each project based on certain strict parameters, did they decide as to which project deserved to be awarded as being The Best in each category.
